MUR4954

Mr. Scott Thomas
Chairman
Federal Election Commission
999 E Street, NW
Washington, DC 20463

Dear Mr. Chairman:

Pursuant to 2 U.S.C. § 437g(a)(1), I am enclosing documents from the Ulster County Republican Committee that I believe constitutes a violation of the Federal Election Campaign Act of 1971, as amended ("FECA" or "Act").

The materials request the recipient to assist the Bush for President Committee in obtaining signatures on petitions for the Bush for President delegates and alternates to the 2000 Republican National Convention. The petitions attached also list names of candidates for delegate and the alternates and indicate that all are supporting George Bush.

The delegate materials were sent out on Ulster County Republican Committee letterhead and signed by the County Committee's Chairman, Mr. Peter Savago. Please note also that the envelope in which it was sent has a return address of the Ulster County Republican Committee, P.O. Box 3413, Kingston, New York 12402 ("Delegate Materials").

The value of the printing and postage and the staff time of the Ulster County Republican Committee and/or its vendors and agents to prepare and mail the Delegate Materials constitutes an in-kind contribution to the Bush for President Committee, subject to the limits and prohibitions of the FECA.

The solicitation of signatures for delegate and alternate petitions clearly comes within the definition of an "election" as found in the FECA (2 U.S.C. § 431(1)(B) and (C).

The funds expended and the value of goods and services spent to influence this election of George Bush for President constitutes a contribution to that committee (2 U.S.C. § 431(8)(A)(i) and (ii).

The entire value of the printing, postage, and the value of the staff, equipment and facilities of the Ulster County Republican Committee or its agents or vendors, constitutes a contribution to the Bush for President Committee. It is subject to the contribution limits, specifically One Thousand Dollars (\$1,000.00) (2 U.S.C. § 441(a).

In addition, since the campaign finance statutes for the State of New York permit corporate treasury funds to be contributed to state and county political committees, it is probable that all or a portion of the in-kind contribution referenced above was paid for from corporate or otherwise prohibited and excessive funds in the Ulster County Republican Committee (2 U.S.C. § 431(8)(A)(i) and § 431(a)(C).

Mr. Scott Thomas
Chairman

Page 2.

In addition, the Delegate Materials fail to include a notice as to who paid for those materials and the postage. This constitutes a violation of 2 U.S.C. § 431(d).

I would request that the Commission undertake a finding of reason to believe that a violation of the FECA has occurred and conduct an appropriate investigation. Such an investigation should also inquire of the Bush for President Committee as to whether other state or county party organizations in that have expended funds in New York or any other state in support of similar efforts for delegates and alternates for George W. Bush to the Republican National Convention.

In addition, it is apparent that the resources of the Ulster County Republican Committee are being utilized for the delegate and alternate selection process. It is also likely that the resources and staff of the county committee are being used in other fashions to benefit and to influence the election of George W. Bush. The scope of the Commission's investigation should include and inquire of the county committee as to whether other party resources are being used to influence the election of George W. Bush.

In light of the immediate and irreparable injury to the candidacy of Steve Forbes, as well as other Republican presidential candidates opposing Mr. Bush, I would request that immediate action be taken by the Commission to investigate this matter and direct the Ulster County Republican Committee and other state and county committees to cease and desist from these violations of the FECA.

Upon completion of the Commission's investigation, I would request that appropriate remedies be undertaken in accordance with the FECA.

Very truly yours,

William A. Dal Col
